

PROJECT FOR TEENS

Administrative Coordinator

Project for Teens (P4T) is a volunteer service learning program that involves approximately 125 students from Mankato East, West, Loyola, St. Peter, and Lake Crystal high schools. Each year, students from these high schools apply to become P4T Peer Leaders. They interview with the program coordinator and school advisors, and if selected, attend a one-day training where they discuss various topics including safe sex, abstinence, drugs and alcohol, bullying, refusal skills, and more. Once trained, the P4T Peer Leaders share messages that promote healthy decision making with fifth–eighth grade students across the Mankato, St. Peter, and Lake Crystal school districts through various methods including panel discussions, skits, and role-playing.
